

The enclosed list is being sent you to assist you in finding a dental provider. While individuals listed are currently enrolled to participate in the Medicaid/Healthy Kids-Gold programs, they may not be accepting new patients at this time. The information contained on this list is current as of the date printed, but can change at any time.

You may need to ask to be put on a waiting or cancellation list, or try providers who are located in surrounding towns. Please contact Medicaid Client Services within 7 days if you require further assistance.
